APPROVAL OF A NON-FUEL POWER)
COST TRACKER CHARGE FOR ELECTRIC)
SERVICE TO ITS MEMBER SYSTEMS)

CAUSE NO. 41283-NFA18^{FILED}

MAR 10 2003

INDIANA UTILITY
REGULATORY COMMISSION

You are hereby notified that on this date the Indiana Utility Regulatory Commission has caused the following entry to be made:

On February 10, 2003, Petitioner Wabash Valley Power Association, Inc. initiated this Cause by filing its Application seeking approval of a non-fuel power cost tracker charge.

The Commission is aware that permission for Wabash Valley to implement a tracker to recover non-fuel power costs was granted in a consolidated Order issued on December 20, 2000 in Cause Nos. 41754 and 41859, in which the Commission approved a Stipulation and Settlement Agreement between Wabash Valley and the OUCC. Paragraph 7.D. of the approved Stipulation and Settlement Agreement provides that "the non-fuel power cost charge shall terminate at the end of two (2) years following approval of this Stipulation and Settlement Agreement." Thus, it appears that the agreement that allows Wabash Valley to recover non-fuel power cost charges expired on December 20, 2002.

The presiding officer now directs Petitioner Wabash Valley to address this issue at the March 19, 2003 hearing in this Cause.

IT IS SO ORDERED.

Gregory S. Colton, Administrative Law Judge
